16:00-

16:15

Break

16:15-

17:45

Family dynamics, structures and policies I

Berkay Ozcan.

[576] Losing Partners as a Process: A Matching Study on the Long Term Economic Consequences of Widowhood

[Zachary Van Winkle](#), Thomas Leopold

[548] Parental Educational Homogamy and Intergenerational Educational Reproduction: Effects, Mechanisms and Racial Differences

[Hanzhi Hu](#), Richard Breen

[511] Family instability and educational transitions: explaining heterogenous effects across social backgrounds in Germany

[Kristina Lindemann](#)

[617] Partner choice and parameter estimates: modelling the effect of preferences in assortative mating

[Brendan Halpin](#)

Health inequalities II

Alexi Gugushvili.

[588] Own and Parents' Schooling as Predictors of Cognitive and Physical Health at Older Ages: Findings from the Longitudinal Chilean Social Protection Survey

[Irma T. Elo](#), Jere Behrman, David Bravo, Sneha Mani, Alejandro Sanchez Beccara

[541] Does Children's Education Improve Parental Longevity? Evidence from Two Educational Reforms in England

[Joan Madia](#), Patrick Präg, Christiaan Monden

[472] Does unemployment affect health through changes in health-related behaviors? Evidence from panel data

Gerhard Krug, [Sebastian Prechsl](#)

[426] The Long Arm of Childhood on Loneliness at Older Ages in the United States

[Shiro Furuya](#), Jia Wang

Migration & ethnic inequalities II

Guillermina Jasso.

[624] Inequality in Immigrant Mental Well-Being Following the Brexit Referendum: A Triple-Difference Approach

[Jing Shen](#), Irena Kogan

[468] From the ballot box to the workplace: Brexit and hiring discrimination of EU nationals

[Valentina Di Stasio](#), Anthony Heath

[659] The structural integration of ethnic minorities in Western Europe

[Silke Schneider](#), Anthony Heath

[681] Understanding Immigrant Assimilation in Organizational Contexts: Occupation, Establishment, Job Level Pay Gaps for 1st and 2nd Generation Immigrants in Norway, 1997-2018

[JooHee Han](#), Are Skeie Hermansen

Class & class mobility II

Jani Erola.

[672] Why Are Adults' Lives Persistently Unequal? The Intergenerational Effects Behind the Process of Persistent Inequality

[Rona Geffen](#)

[622] Reassessing class hierarchies in postindustrial societies: a criterion and construct validation of EGP and ESEC across 31 countries

[Carlo Barone](#), Oscar Smallembroek, Florian Hertel

[648] OCCUPATIONAL STATUS ATTAINMENT AND INTERGENERATIONAL MOBILITY OF ETHNIC GROUPS AT ENTRY INTO THE LABOUR MARKET, SURINAME 1960-2010

[TAMIRA SNO](#), HARRY GANZEBOOM

[655] Social Origin and Female Occupational Careers. The Role of Education and Family in Shaping Social Inequality among Italian Women

Gabriele Ballarino, [Stefano Cantalini](#), Nazareno Panichella

Work & occupations I

Nancy Kracke.

[474] Closure Through Occupational Standardization? - Testing a Central Assumption of Occupational Closure

[Marvin Bürmann](#)

[523] Longer Working Lives, Increasing Social Inequality?

[Mark Visser](#)

[555] Investigating the wage penalty of temporary workers across 30 countries using LIS data: How much and for whom does the institutional context matter?

[Sophia Fauser](#), Michael Gebel

[520] Living the dream? Job aspirations in student essays: social disparities and de facto occupation

[Maximilian Weber](#)

Intergenerational transmission of education I

Andrea Forster.

[656] The effects of disadvantageous parental origins, early home leaving, and early parenthood on secondary education attainment in Finland

[Niko Eskelinen](#), Johanna Kallio, Timo Kauppinen

[611] The reform of secondary compulsory schooling in Turkey and its effect on intergenerational educational inequality

[Felix Weiss](#), Sedat Gümüş, Melis Cin

[404] Inequality of Educational Opportunity Differentially Impacts Women's and Men's Later-life Cognitive Performance

[Anja Leist](#), Eyal Bar-Haim, Louis Chauvel

[653] Meritocracy for whom? Socioeconomic status and performance in access to postsecondary education

[Adriano Senkevics](#), Flavio Carvalhaes, Carlos Costa Ribeiro

18:00-

19:00

Keynote:

Michelle V. Jackson, Stanford University

The radical potential of social stratification and mobility research

Closing of day 1

	Room 1	Room 2	Room 3	Room 4	Room 5	Room 6
10:00-11:15	<p>Genes, twins, siblings II Antonie Knigge.</p> <p>[563] Neighborhood socioeconomic composition: Effects on standardized tests in a polygenic scores design Nicolai T. Borgen, Henrik Daae Zachrisson</p> <p>[731] Social and Genetic Effects on Educational Achievement in Early Adolescence Torkild Lyngstad, Martin Isungset, Henrik Zachrisson, Eivind Ystrøm, Dalton Conley</p> <p>[691] Genes and equality of opportunity in an egalitarian context Jani Erola, Tina Baier, Hannu Lehti</p>	<p>Myth of meritocracy Limor Gabay-Egozi.</p> <p>[649] Beauty and meritocracy: the unsolved puzzle Outi Sarpila</p> <p>[615] The Dark Side of Meritocratic Beliefs: is believing in meritocracy detrimental to individuals from low socio-economic backgrounds? Alicia García-Sierra</p> <p>[551] Whose goal striving is rewarded?: The social psychological processes of status attainment Hye Won Kwon, Jani Erola</p>	<p>Migration & ethnic inequalities III Nazareno Panichella.</p> <p>[666] Secondary effects of an immigrant background in the transition to upper secondary education in Germany. Attitudes Towards Shared Earning and Parenting in Postindustrial Europe Sinn Won Han</p>	<p>gender differences in academic research Iñaki Úcar, Margarita Torre, Antonio Elías</p> <p>[462] The Impact of COVID on Skill Differences in UK Gender-Parenthood Hiring Discrimination Soyoung Kweon, Lynn Cooke</p> <p>[484] Inequality in employment trajectories and their socio-economic consequences during the COVID-19 pandemic in Germany Katja Moehring, Andreas Weiland, Maximiliane Reifenscheid</p> <p>[646] Countries Embracing Maternal Employment Have Opened School Sooner after COVID-19 Lockdowns Ansgar Hudde, Natalie Nitsche</p>	<p>economic assimilation at the individual and family level Debora P. Birgier</p> <p>[584] Multigenerational Social Mobility in Migrant and Non-Migrant Families: Turkish Origin Grandsons and Granddaughters in Western Europe Joonghyun Kwak, Ayse Guveli</p> <p>[668] Effects of contextual differences between sending and receiving countries on intergenerational stability in labor force participation of female immigrants Dorian Tsolak, Marvin Bürmann, Martin Kroh</p>	<p>Andrea Pietrolucci, Marco Albertini</p> <p>[503] Wealth 2-D – What we can learn about wealth effects when we do not collapse wealth to net worth Jascha Dräger, Nora Müller, Klaus Pforr</p> <p>[643] How much does the life course matter? Assessing the contribution of social stratification determinants and biographies to persistent economic inequality. Jan Brülle, Markus Gangl</p> <p>[642] How do poverty trajectories interact with employment and family histories? Combining the individual and household level using multichannel sequence analysis Miriam Gohl</p>	<p>households receiving unemployment benefits in Germany Sandra Dummert</p> <p>[658] General education, vocational education, and skills use across career stages Wiebke Schulz, Heike Solga, Reinhard Pollak</p> <p>[713] Linking education to the labor market: educational degrees, (mis)matches and wages Ana Santiago Vela</p> <p>[422] Extending working life in Germany – A cohort perspective on inequalities in the length of working life Christian Dudel, Elke Loichinger, Sebastian Klüsener, Harun Sulak, Mikko Myrskylä</p>	<p>[718] Variation in the Gender Gap in Workplace Authority Across Workplaces Dragana Stojmenovska</p> <p>[692] Declining occupational gender segregation in the Swedish labour market? Karin Halldén</p> <p>[494] The Causal Effect of Exposure to Female-Dominated Occupations on Men's Occupational Choices: Evidence from the Suspension of the Civilian Service in Germany Maik Hamjediers</p>
--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

13:15-14:00

Lunch

14:00-15:30

Parental labour market penalty II
Zachary Van Winkle.

[510] Penalties or Premiums? – The Role of Parenthood in Explaining Inequalities in Job-related Training
[Gundula Zoch](#)

[610] Strong push or gentle nudge? Are parenthood wage effects influenced by changes in leave policies in Germany and Finland?
[Anna Häggglund](#), Rossella Icardi, Lynn Prince Cooke

Child development II
Nicolai T. Borgen.

[492] Is early formal childcare a potential equalizer? How attending childcare and education centres affects children's cognitive and socio-emotional skills in Germany
[Gaia Ghirardi](#), Tina Baier, Moris Triventi, Corinna Kleinert

[618] Maternal education, prenatal and postnatal depressive symptoms, and early language development
[Sanni Kotimäki](#), Laura Salonen

Migration & ethnic inequalities V
Christian Hunkler.

[569] Immigrant selectivity and the 'immigrant drive' among descendants
[Solveig Topstad Borgen](#), Are Skeie Hermansen, Caroline Calero Jacobsen

[676] International migrations, class achievement and social origin in Europe
[Maurizio Avola](#), Nazareno Panichella, Giorgio Piccitto

Class & class mobility III
Harry Ganzeboom.

[464] Firms and Intergenerational Earnings Transmission
[Per Engzell](#), Nathan Wilmers

[505] Unpacking social class mobility: a microclass analysis of social mobility in France
[Cyril Jayet](#)

[729] Is professional regulation a highway to social immobility at top? Social closure and gendered outcomes in Italy
[Lucia Ruggera](#), Jani Erola

Educational inequalities
Anders Hjorth-Trolle.

[469] Wait or hurry? The effects of the early school enrolment on the school outcomes of Italian students
[Giovanni Abbiati](#)

[607] School entry age and parental strategic behaviour: A tale of two mechanisms of social inequality in early achievement
[Mar Espadafor](#), Giampiero Passaretta

[463] The realisation of educational aspirations: Direct

Educational performance II
Irene Prix.

[733] The Linkage between School Autonomy and Inequality in Achievement Differs by Countries' Development Level: Evidence from 69 Countries
[Mobarak Hossain](#)

[431] Can Non-Cognitive Skills Explain the Learning Gap between Rich and Poor Children? Evidence from PISA
[Rob Grujters](#), Isabel Raabe, Nicolas Hübner

<p>[631] Gendering parenthood? Comparing income trajectories of same-sex and different sex couples in four Nordic countries. Marie Evertsson, Ylva Moberg, Maaïke van der Vleuten</p> <p>[485] A Family Leave Length Trade-off? Women's Labour Force Status in Comparative Perspective Kathrin Morosow</p>	<p>[696] Gender Inequality in the Consequences of Parental Separation: A Longitudinal Study on Parents' and Children's Time Investments Tomás Cano, Pablo Gracia</p> <p>[664] Exit Fatalism- Mentoring reduces disadvantaged children's fatalistic views. Evidence from a randomized control trial. Sandra Bohmann, Fabian Kosse, Armin Falk</p>	<p>[581] Selectivity in emigration: the case of migration from Sweden Deborá P. Birgier, Christer Lundh, Yitshak Haberfeld, Erik Eldér</p> <p>[552] Up and Down the Legal Immigration Escalator: The Case of U.S. Conditional Legal Permanent Residence Guillermina Jasso, Mark R. Rosenzweig</p>	<p>[709] Job vacancies, economic growth and sectoral expansion: What have been the drivers of upward social mobility during the trente glorieuses in West Germany? Reinhard Pollak, Sabine Hübgen</p>	<p>and indirect effects of social origin at successive stages in a stratified school system Katarina Wessling, Andreas Hartung, Steffen Hillmert</p> <p>[685] Intergenerational transmission of educational attainment: How important are children's personality characteristics? Anne Christine Holtmann, Laura Menze, Heike Solga</p>	<p>[443] School absenteeism and academic achievement: Is missing-out on school more detrimental to students from lower socioeconomic backgrounds? Markus Klein, Edward Sosu, Shadrach Dare</p> <p>[627] Children left behind. New evidence on the (negative) impact of grade repetition on educational careers Guido Salza, Dalit Contini</p>
